

Richards Hogg Lindley

Average Adjusters and Marine Claims Consultants

AN INVITATION TO

OUR ANNUAL

COURSE ON

**MARITIME LAW AND
MARINE INSURANCE
CLAIMS**

To be held from

13 - 17 September 2010

at

Watermen's Hall,

London

OBJECTIVE

The objective of the course is to provide you with the confidence to deal with the claims situations faced in the Maritime Industry. This course is therefore designed to develop your understanding of the principles and practice involved in handling and settling marine claims which could be vital to you.

Through a mixture of formal lectures, discussions, question and answer sessions and case studies, we will:

- Review the law and practice which underlie much of marine claims handling.
- Present practical examples of casualties, demonstrating appropriate responses and procedures and identifying who does what.
- Examine the preparation of claims.
- Provide a forum where ideas can not only be received but also exchanged.

Course notes will be provided for each subject.

WHO SHOULD ATTEND?

This course is designed for but not limited to representatives from Shipowners, Ship Managers, Insurance Brokers, Insurers of hulls, cargoes, etc. and other members of the marine claims community.

Some experience in marine insurance is essential in order for participants to derive the maximum benefit.

A good refresher course for more senior personnel involved in marine insurance claims.

Participants must be fluent in English.

ABOUT RICHARDS HOGG LINDLEY

Richards Hogg Lindley is part of Charles Taylor Adjusting and is the world's leading firm of marine claims adjusters and consultants. We have been running courses and seminars for more than 30 years both in the U.K. and overseas. There is a network of successful and satisfied graduates from our courses in virtually all maritime and insurance communities around the world.

As is customary, our most experienced average adjusters (primarily Fellows of the Association of Average Adjusters) will deliver the majority of the lectures with invited guests presenting specialist subjects.
